Vamshodaya Multispecialty Hospital, Kolar

Vamshodaya Multispecialty Hospital has a robust presence across the healthcare ecosystem. The Hospital has touched numerous lives from different part of India and abroad in routine wellness, preventive health care, innovative life-saving treatments and diagnostic services offering the best clinical outcomes. The Hospital is well known for dedication in providing higher quality treatment, diagnosis and services at affordable cost. This well-known Medical establishment acts as a one-stop destination of servicing patients both National and International.

Over the course of its journey, the Hospital has established a firm foothold in the Health Care Industry and continues to create a remarkable name in the Hospital Sector of Karnataka. The Hospital employs individuals that are dedicated towards their respective roles and put in a lot of effort to achieve the common vision and larger goals. Our students can learn and deep dive in to the wide range of specializations in the field of General Surgery, Oncology, Radiology, Ophthalmology, Neurosurgery, Gastroenterology, Neonatal, Pediatric, Skin, Emergency, etc. at our own Hospital.

CLINICAL FACILITIES

Clinical Experience is provided through clinical rotations at our own Multispecialty Hospital and other affiliated Multispecialty Hospitals. During the practical sessions, each student will have exposure in all specialized services such as General Physician, Internal Medicine, Orthopedics, Pediatric, General Surgery, OBG, Oncology, Intensive Care Units, Neonatal Intensive Care Unit, Nephrology, etc. under the constant supervision and guidance of experienced faculties and health care professionals.
